## A Moment of Recognition and Legacy

The Business Hall of Fame is one of the most meaningful moments of the year for Junior Achievement of Southwest Florida, as we formally recognize leaders whose success, service, and example help shape the future of our region.

On March 24, 2026, we will gather at the Naples Grande Beach Resort to welcome the next class of Business Hall of Fame inductees and celebrate the collective impact this event represents. Proceeds from the evening support local programs that help students build financial literacy, career readiness, and confidence in their future.

If you have not yet made plans to attend, we invite you to join us and consider extending the invitation to a colleague or peer. Sharing this experience is one way the legacy of the Hall of Fame continues to grow.

## Turning Experience Into Opportunity

## Become A Volunteer

While the Hall of Fame is a defining moment, the impact it supports happens every day in classrooms and communities across Southwest Florida.

Our volunteers help students connect classroom lessons to real-world possibilities by sharing their time, experience, and perspective. From career exploration activities to financial literacy lessons, these moments help students see what is possible and begin to imagine their own path forward.

If you or someone in your network has ever considered getting involved, now is a great time. Even a single classroom experience can leave a lasting impression.
