

Our Mission is to inspire and prepare young people to succeed!

Become a Volunteer!

What an AMAZING Day! Business Leaders from Cogent Bank, First Citizens Bank, and Synovus Bank partnered with Junior Achievement of Southwest Florida to help grow future leaders. This program was taught in nine classrooms with over 200 students at Mirror Lakes Elementary school in Lehigh Acres. Thank you for allowing us to sow the seeds of financial literacy, work readiness, and entrepreneurship in these first-grade students.

THE RITZ-CARLTON, GOLF RESORT, NAPLES

The Junior Achievement Business Hall of Fame event recognizes outstanding entrepreneurs who serve as role models for youth through their professional accomplishments and commitment to the community.

By sponsoring this event, you're helping us provide life-changing financial literacy and career readiness programs to students in our community.

You're also placing your business in front of more than 500 attending business and community leaders, plus countless others who will see promotional materials for the event.

For more information, contact Stephanie Hoffman, Director of Operations

Franklin Park's Black History Read Event

Junior Achievement's Education Coordinator, Danielle Freeman had the opportunity to participate in Franklin Park's Black History Read event on

February 22nd. Thank you to our amazing volunteers Dr. Christopher Bernier, Superintendent of the District of Lee County Schools, Mrs. Tamara Joy Hunter, and Principal Mrs. Michelle Freeman.

HELP US **IGNITE THE FIRE** AT

JA Inspire[®]

APRIL 26 - 28, 2023

Junior Achievement needs companies like yours to partner with us and inspire local students through Southwest Florida's largest career exploration experience.

JA Inspire unites educators and local business leaders in Southwest Florida. It gives students a real-world way to envision future career opportunities through a pre-event curriculum and a career fair.

JA Our Region

JASWFL Board Member Andy Buschle, Bank of America, taught JA Our Region to the afterschool program at Grace Place in Naples.

This program introduces upper elementary-grade students to entrepreneurship and social studies learning objectives, including regions, resources, and supply chains through five interactive class sessions. These students successfully solved problems by weighing risks and rewards.
