Our Mission is to inspire and prepare young people to succeed!

Our 2023 Business Hall of Fame was a huge success thanks to our amazing supporters! Congratulations to our newly-inducted laureates. These influential, visionary leaders from the business community have made a significant impact, created new opportunities, and elevated the educational landscape for youth in their communities regarding financial literacy, entrepreneurship, and work readiness.

The Business Hall of Fame is our largest fundraising event each year and with your support, we were able to raise more than \$213,000. These funds further our mission to reach young people with the knowledge and skills they need to own their economic success, plan for their future, and make wise academic and economic choices.
