

Junior Achievement™ of Southwest Florida

Our Mission is to inspire and prepare young people to succeed!

JA Career Connect at Gulf Coast High School

Last month, we partnered with Florida Gulf Coast University, Collier County Public Schools, and the Greater Naples Chamber to host **JA Career Connect**. Collier Career Connect provided an opportunity for 10th to 12th-grade students to speak with local business leaders and FGCU students in various industries about their professional and educational journeys. We also invited Career Connect students to attend our Business Hall of Fame to connect with more employers.

This was an outstanding chance for students to learn more about career opportunities in Collier County, and we are grateful to be able to help students take that extra step to find their passions. Click below to learn more about Career Connect and how this experience is making a monumental impact in our community.

Thank You Lamar!

We are thrilled to express our gratitude to **Lamar** for their incredible generosity in supporting our efforts to spread awareness about JA Inspire. Their donation of billboard space played an instrumental role in raising awareness about this event and inspiring countless young people to explore different career paths and opportunities.

At Junior Achievement, we firmly believe that every young person deserves access to the resources and support they need to achieve their full potential. Through events like JA Inspire, we're able to provide students with the opportunity to connect with professionals, learn about different industries, and gain valuable insights into the skills and knowledge needed for success in their chosen fields. We appreciate the support of generous donors like Lamar, to make an impact in the lives of young people in Southwest Florida.

Thank You to The League Club!

We're thrilled to announce that we've received a generous grant of **\$10,000** from **The League Club!** This support will help us to expand our programming and provide even more young people in Southwest Florida with the knowledge, skills, and resources they need to succeed.

Over 36 years, The League Club has supported 182 agencies by giving out grants totaling over 6.5 million dollars. President Denise Hadley said, "The heart and soul of The League Club is our Community Involvement Committee. For over 3 decades, the League Club has addressed critical needs of at-risk adults and children in the areas of food scarcity, shelter, education, and the arts through grants to nonprofit agencies in Collier and Lee Counties."

We're grateful for The League Club's commitment to investing in the future of our community, and we look forward to continuing to work together to empower the next generation of leaders. Thank you for your support!
