Our Mission is to inspire and prepare young people to succeed!

A Message from the Chairman

Warm Wishes for a Joyful Holiday Season and a Bright New Year

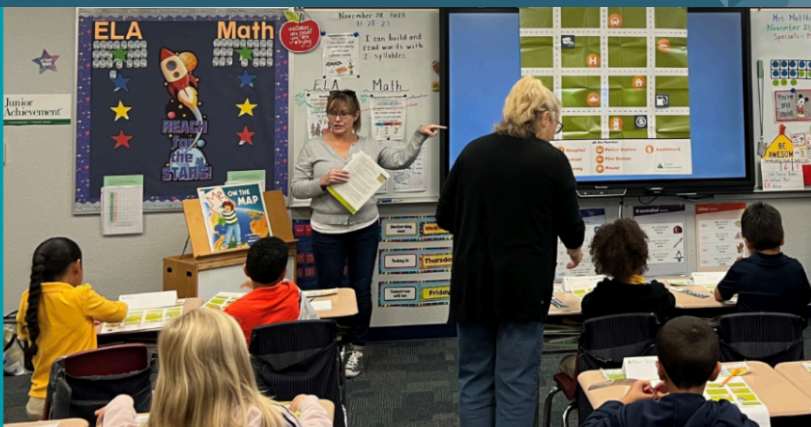

As we celebrate this season of gratitude, we reflect on a year of extraordinary impact. More than 20,000 students across Southwest Florida gained the skills and confidence to build their futures.

We extend our heartfelt thanks to Angela Fisher for her ten years of visionary leadership. Her dedication strengthened JA's programs and transformed the lives of young people throughout our region. We are also deeply grateful to our donors, volunteers, and partners whose generosity makes this work possible.

As we look ahead to 2026 and prepare to welcome a new President, our mission remains strong: to inspire and prepare the next generation for success in work and life.

Year-End Giving, Lifelong Impact

As we wrap up 2025, there's still time to make a difference. Your year-end gift to Junior Achievement empowers students across Southwest Florida with the tools, confidence, and knowledge they need to succeed in school and beyond.

Your donation today creates brighter tomorrows for thousands of young people right here in our community.

A Head Start on the Workforce

Our Pre-Apprenticeship Program continues to change lives by helping high school students gain certifications, hands-on skills, and job readiness all before graduation.

This year, students completed industry-aligned training and even participated in forklift certification and work-based learning. With support from business and community partners, they're entering the workforce or college more prepared than ever.

Programs like this are only possible because of people like you. Thank you for helping us give students a head start on success.
