

Junior AchievementTM of Southwest Florida

Our Mission is to inspire and prepare young people to succeed!

Your Gift Helps Students Thrive

As Giving Tuesday approaches on December 2, we invite you to help us create more opportunities for young people across Southwest Florida. Your donation supports life-changing programs that teach students financial literacy, career readiness, and entrepreneurship. A contribution of any size goes a long way in preparing the next generation to succeed.

Not in a position to give financially right now? There are many other ways to support Junior Achievement, such as sharing our mission, connecting us with local schools or businesses, or volunteering. Tap below to donate or find other ways to get involved today!

Grateful for a Community Like You

Thanks to You, 20,500 Students Have Been Impacted

This holiday season, we are especially thankful for you: our supporters, partners, donors, volunteers, and champions. Your commitment to empowering local students makes everything we do possible.

Because of your support, more than 20,500 students in Southwest Florida experienced JA programs in the last school year. That's a community impact that will ripple forward for years to come.

From all of us at Junior Achievement of Southwest Florida, thank you!

Don't miss out on our next post, and keep up with us on social media!
