of Southwest Florida

Our Mission is to inspire and prepare young people to succeed!

Celebrating Our Pre-Apprenticeship Graduates

Our Pre-Apprenticeship students recently celebrated graduating from the program. We're proud to share that 22 students completed the program, with 19 of them already employed or enrolled in college!

These students gained hands-on experience, earned industry-recognized certifications in OSHA-10 and First Aid/CPR, and developed the skills to confidently enter the workforce. From mastering the 4 C's (Communication, Creativity, Critical Thinking, and Collaboration) to building real-world knowledge, their success reflects the power of opportunity and support.

We're incredibly proud of each graduate and thankful to the community partners and educators who helped make this possible. Click below to learn more about the Pre-Apprenticeship Program.
